

Maggie Daly

William Colby, chief of the CIA, will probably leave his post at the end of the year. The CIA wants to get more of an administrative-type person to straighten out CIA problems. . . . Jane Fonda is reported to be furious about ex-husband Roger Vadim's autobiography "Memoirs of the Devil." The French filmmaker is said to treat Jane about as unkindly as the CIA did.

FONDA, JANE

SO 4.01.2 Memoirs
of the Devil

VADIM, Roger
